OH, LOVE THAT WILL NOT LET ME GO

INTRO/INTERLUDE: C //// | ////

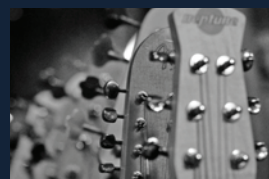

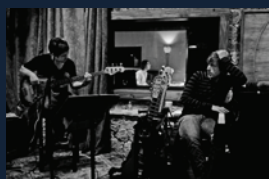

Oh, love that will not let me go | I rest me weary soul in Thee | I give You back this life I owe | And in Your ocean depths its flow | May richer fuller be
|| Oh, light that follows all my way | I yield my flickering torch to Thee | And my heart restores its borrowed ray | And in Your sunshine's blaze, its day |
May brighter, fairer be ||
Rejoice my heart | Rejoice my soul | My Savior God has come to Thee | Rejoice my heart | You've been made whole | By a love that will not let me go
|| Oh, joy that seeks me through the pain | I cannot close my heart to Thee | I chase the rainbow through the rain | And feel the promise is not vain |
That more shall tearless be ||
Oh, cross that lifts and holds my head | I dare not ask to fly from thee | I lay in dust life's glory dead |
From the ground, their blossoms red | Life that shall endless be ||
